1.2 Changing Password

Users can change their password by using the following these steps:

1. Return to the SNP Main page and Select the Existing User Log-on hyperlink from the Main Menu.

2. Select the Change Password button.

   a. When the Change Password button is selected, additional fields will display labeled New Password and Confirm New Password.
Note: All passwords must contain both uppercase and lowercase alpha characters and at least one numeric character. The password must be at least 8 characters long, and cannot be one of the last 6 passwords used for the user account.

3. Enter the Username and current password in the corresponding fields.

4. Enter the desired password in the New Password field.

5. Re-enter the newly constructed password in the Confirm New Password field and select the OK button. To stop this action, select the Cancel button.

6. Once the password is updated, the user is required to sign in using the new password before they can access the online application system.

The newly entered password will be saved and can be used for future log-ins.

Note: Passwords are required to be changed every 90 days. The user shall receive a message when attempting to access the program if the password is due to expire within 14 days or has expired since last log-in.

1.3 Lost Password

1. Return to the SNP Main page and Select the Existing User Log-on hyperlink from the Main Menu.

2. Select the Existing User Log-on hyperlink from the Main Menu.

3. Enter the Username in the corresponding field.

4. Select the Lost Password button.
   a. A security question and answer field will appear below the Lost Password button.

5. Enter the correct Security Answer for the question listed and select the Submit button. To stop this action, select the Cancel button.

6. A message will display and an email will be sent to the user notifying them that the password has been reset to the last four digits of their Social Security Number.
   a. If the user cannot answer their Security Question, the user must contact SNP Central Office at 1-800-482-5850 ext. 28699 or 682-8869 for additional assistance.

Alerts

1.4 Accessing Alerts
1. Upon successful log-on to the Claims system, the user is redirected to their home page. This page will display the alerts data grid, and all businesses associated to the user.
   a. The alerts will default to the New and Open alerts. (see Figure 4.1-1)

![Alerts Grid]

Figure 4.1-1 – Alerts Data Grid on Business Home Page

2. To read an alert, the user shall select the alert from the data grid.
   a. The user is redirected to a Site Alert form which displays all data regarding the alert.
3. The Open Date and View Date auto-populates the date and time when the alert is accessed the first time. The Close Date auto-populates the date and time when the user changes the Status from “In Process” to “Closed”.
   a. The status is automatically updated on “New” alerts to display as “In Process” once accessed and are then considered as Open.
   b. Once the alert is closed, the alert is removed from the home page alert data grid.
   c. Find closed alerts by selecting the View Closed button.
   d. The user can use the View New/Open, View New, and View Closed buttons to filter their alerts.
1.5 Enter New Claims

From the Claims’ home page, select the business for which user would like to submit a claim, and click on the Enter Claims button.

The next screen displays the facility’s name, address, TIN and allows the user to access existing Claims, adjust claims that have not been submitted and add new Claims. (see Figure 5.1-1)
