To: CACFP (Child and Adult Care Food Program) Participants

It is once again that time of the year! Please go online and update your current application for the 2014 year which begins October 1, 2013.

The application year you will want to create is 2014. Most of your current application will copy forward. You will still need to go into each form and make sure all information is still correct. At the "Submit" button at the bottom of the checklist there is a certification statement which states that you are certifying that all information is current and correct.

Please do not put the renewal off; your renewal should be done before September 30, 2013. Even if your current application is only a month or two old, the 2013 year ends September 30, 2013.

If you have any questions or need assistance, please call your Specialist at 501.682.8869 or Toll Free 1.800.482.5850 ext 28869.

Sincerely,

Rita Jolly
