

The Arkansas Hunger Relief Alliance, in partnership with the Food Research and Action Center, is pleased to invite you to:

Eliminating Hunger After School: The Opportunity for Statewide Expansion of the Afterschool Meal Program

WHEN: Thursday, November 29, 2012
8:00 AM- 3:15 PM

WHERE: Bishop Leodies & Goldie Warren Family Life Center
1200 Bishop Warren Drive (Formerly Lewis St.)
Little Rock, AR 72204

We hope everyone will join us to learn how we can all help to eliminate the hunger experienced by the children of Arkansas after school, on weekends, and during school holidays. Extending the reach of the Afterschool Meal Program to all eligible communities throughout the state will ensure that the children of Arkansas can participate fully in their afterschool activities, while also receiving the nutrition they need and may not have access to outside of school. We will hear from current program sponsors and providers about the success they have had in bringing afterschool meals to the children they serve in Arkansas. We will also hear from state and regional program administrators and advocacy organizations ready to answer your questions and offer their support to you. Whether you are interested in applying to the program for the first time or you are ready to increase participation and improve the current operation of your afterschool meals program, we hope we can all benefit from one another's expertise of our communities and help expand the Afterschool Meal Program statewide.

Coffee and morning refreshments, as well as lunch will be provided.

SPECIAL GUEST SPEAKER: Harriett Phillips of Governor Beebe's Office

To register for this event, visit
