

Spread the word about your Summer Food Service Program Sites with the National Hunger Hotline!

Register your Summer Feeding Sites for the National Hunger Hotline, visit: <http://beta.whyhunger.org/NHCjoin> . Complete as much as of the form as you can so that callers to the Hotline can get good information about your site.

If you are a sponsor organization with multiple feeding sites, please fill out the attached Microsoft Excel file template to list all of your open feeding sites to nhc@whyhunger.org. The Hotline staff will upload your list to the database so you don't have to enter each site manually. Please make sure you include the name of the feeding site, address (**especially the zip code**), and a phone number in each entry.

If you have questions about the Hotline or need help registering, please email nhc@whyhunger.org or call the Hotline at **1-866-3-HUNGRY**.

Lastly, we know that many sponsors and sites look for volunteers to help support their SFSP programs. We encourage Summer Food Service Program Sponsors and Sites to register their volunteer opportunities with www.serve.gov/endlhunger. This website allows volunteer opportunities to be posted, as well as allows volunteers to search for opportunities. Go to www.serve.gov/endlhunger to post your opportunities today!

Thank you for the work that you do each summer to feed hungry kids!
