HUSSC Local Wellness Policy Criteria: Taking Steps to Create a Healthier School Environment

Thursday, March 6, 2014

2:30 pm – 4:00 pm EST

Description: During this webinar, presenters will provide an overview of the HealthierUS School Challenge Local School Wellness Policy criteria and an in-depth look at implementing local school wellness policies and creating a healthy school environment. Guests include a food service director and a State agency staff member who will share their experiences engaging the school community in the local school wellness policy process and creating a culture of wellness. Presenters will also provide examples of steps schools can take to move forward with wellness policy implementation and share helpful resources. There will be a Q&A session at the end of the presentation.

Target Audience: Regional Office Staff, State Agency Staff, District/School Staff

Participation: This session will be available via Microsoft Office LiveMeeting (Webinar) and is free to all participants. You will need access to a telephone line and a computer with internet access for this webinar. The audio for this webinar will be recorded.
