- SY2010 PAL Entitlement Dollars
- Fresh Fruit & Vegetable Program
- Commodity Processing
- SY2011 Projected Annual Commodity Usage
- Advisory Committee Meeting
- Questions

# SY2010 Ordering of Commodities

- Schools are responsible for placing orders to receive products purchased on their behalf from USDA.
- Review total cases requested on your SY2010 Projected Annual Commodity Usage Report. If you find that you have not placed orders on specific items, place orders now to receive products. Many of these items are in the warehouse ready for delivery.

# SY2010 PAL Entitlement Dollars

- School ADP numbers have been updated & entitlement dollars adjusted.
- You may find that your entitlement dollars are lower or higher than your Beginning PAL amount.
- Contact CDO to discuss a plan if the difference effects your account.
- Additional commodities are available to order if you have excess funds to spend.

# Fresh Fruit & Vegetable Program

- After 12/15/09, schools that have funds remaining above 50% of their original amount, will lose the remaining amount.
- All funds above 50% will be pooled & redistributed to participating FFV schools that have spent 50% & ABOVE.
- If you have not spent 50% or above - **YOU WILL LOSE YOUR FUNDS!**
- If you have any questions contact your Customer Specialist, Sam Turner;  
Cell 205-966-0020; Email [Samuel.Turner@DLA](mailto:Samuel.Turner@DLA)

# SY2011 Projected Annual USDA Commodity Usage

- SY2011 Projected Annual USDA Commodity Usage Report is available online in the Arkansas Commodity Distribution System (ACDS).
- RA's must project the annual amount of USDA commodities for SY2011, by December 18, 2009.
