

INSTRUCTIONS:

Completing the Natural Environment Readiness Self-Assessment Course

The course is divided into Module 1 and Module 2.

NOTE: Provider program administrators applying to become a Part C Provider during Limited Open Enrollment Complete this course and the online post-assessment as part of the application process. The course may also be completed by existing providers for ongoing professional development hours (3 hours).

1. Download the materials linked with the module/course:
 - *Natural Environment Readiness Self-Assessment Checklist*
 - *7 Key Principles: Looks Like/Doesn't Look Like*
 - *10 Step Program to Decrease Toy Bag Dependence*

2. Complete the course (Module 1 and Module 2).
3. Your completed Natural Environment Readiness Self-Assessment Checklist (handout) will be submitted as part of your post-assessment (this handout is linked along with the course modules and course materials). Email the completed Natural Environment Readiness Self-Assessment Checklist (handout) to ravyn.hawkins@dhs.arkansas.gov.
4. Follow instructions at the end of the course to access the end of course assessment (instructions are at the end of Module 2). You will need to create a free account on Quiz Star in order to complete the post-assessment only if you have not used QuizStar to take First Connections' post assessments for other online courses before.
5. Your certificate of completion (and ongoing professional development hours) will be sent to you via email. Keep this certificate to submit as part of your Limited Open Enrollment application process. If you do not meet the cut off score of 70% on the post assessment, you will receive an email notification. Certificates or notices may take 3-6 weeks to receive.
