- **Mediation requests** which are defined as a request by a party to a dispute involving any matter under Part C of IDEA for the parties to meet with a qualified and impartial mediator to resolve the dispute(s).

- **Due process complaints** which are defined as a filing by a parent or early intervention service provider or lead agency to initiate an impartial due process hearing on matters relating to the identification, evaluation, or placement of an infant or toddler with a disability (IDEA), or to the provision of appropriate early intervention services to the child.
